

As **Laser system operator (m/f/d)**

you will be responsible for set-up, operation and disassembly of laser systems

Your further tasks include:

- Manufacture of parts according to order
- Carrying out quality controls and documentation
- Optimisation of processes

We are looking for a committed personality with the following profile:

- Successfully completed technical training or a comparable qualification
- Several years of professional experience in industry, ideally in a comparable position
- Independent, structured and reliable way of working
- Team and communication skills as well as high quality awareness
- Willingness to work shifts (early and late shifts)

Your benefits at Binder:

We offer you a challenging and varied job in an innovative company with flat hierarchies. You will work in a motivated team and have the opportunity to develop yourself both professionally and personally. We offer you a performance-related salary as well as a company pension scheme and an in-house canteen.

Exactly yours? Apply now, stating your starting date and salary expectations!
